Dear Ms. Perillo:

It is with great pleasure that the Supplier Excellence Alliance (SEA) Board of Directors announces that you are a Finalist for one of the prestigious **First Annual Aerospace & Defense (A&D) National SEA Awards**.

Out of over 100 nominations, the SEA Panel of Judges has forwarded 45 applications to the Finalist stage. The Judges, comprised of industry representatives, completed a review and scored all of the applications on the basis of the application contents.

We invite you to attend the special SEA Awards ceremony at the Westin Mission Hills in Rancho Mirage, California on November 6th at 6pm. You are also invited to attend the golf event prior to the banquet on November 6th and the SEA Member Conference on the day after, November 7th. You are encouraged to invite your family, friends, and business associates to join you at this prestigious dinner and ceremony. We have reserved space for you and extended the early bird discount of 10% but we need to hear from you immediately in order to reserve tables to accommodate your party, because those tables are being reserved at a rapid pace.

For reservations details: http://seaonline.org/2007ADAC/Palm_Springs.htm

A SEA representative will be contacting you; however, if you have questions now, please call or email Deanne Coats at (949) 476-1144 x 305; Deanne@seaonline.org

The SEA Award winners, representing thousands of small and mid-sized suppliers, customers and individuals, will be recognized for their performance and leadership contributions to our industry and the Awards dinner will be attended by hundreds of supplier companies and all of the major primes and tier-ones.

The Award Categories are as follows:

- SEA Leadership & Culture Award
- SEA Workforce Development Award
- SEA Operational Excellence Award
- SEA Performance Award: Most Improved using the SEA Metrics
- SEA Supply Chain Innovation Award
- SEA Customer of the Year Award
- SEA Richard Hall Award for Leadership Excellence

Congratulations on your achievement as a SEA Award Finalist. Whether you become the winner of one or more of these prestigious awards or not, your attendance will ensure the mention and publication of your company's name that night and industry-wide. Your company already has the status of a nominee among thousands of other supplier companies throughout the industry. You have reason to be very proud of this achievement.
